The 1976-77 Football Season turned out to be the greatest season ever. As the season began you might say we lost the toss in our first game by losing to Many Farms, but we quickly recovered the ball with a big win over Sanders. We then made a first-down with a close decision over Salome. Then downs ran out as we lost to Show Low, but regaining possession we picked up good yardage as we beat Ash Fork. The season's game progressed steadily as we won the next two games. Then progress stopped with a heart-breaking fumble as our team lost to rival Mayer, causing a setback in the path to the State Tournament. Quickly recovering the season ended with several big and important wins leaving Joseph City in a three way tie for the Class C North Championship. This was truly a touchdown in JCHS football history being the first time a JCHS Football team has won a conference championship.

Volleyball Has Successful Season!

The season began with twenty-one young ladies, preparing for the J.C.H.S. Invitational Volleyball Tournament. The J.C.H.S. Invitational gave us some of the strongest competition leading our spikers to its first championship of the year defeating Holbrook for the first place trophy in our J.C.H.S. Invitational.

Off to a winning start the JV and Varsity team continued their winning ways compiling a 10-0 JV record and a 22-3 season record for the Varsity.

Being a very young squad with but one senior nothing but optimism can be seen for the next few years. There cannot be any doubt that the J.C.H.S. Spikers will improve upon their 1976 Conference Championship.

Outstanding players of the year include, THE MOST VALUABLE, Susan Shelley, THE MOST IMPROVED, Shanna Hatch and THE MOST INSPIRATIONAL, Rhona Robinson.

We would like to congratulate the J.C.H.S. Volleyball team on a fine and successful season.

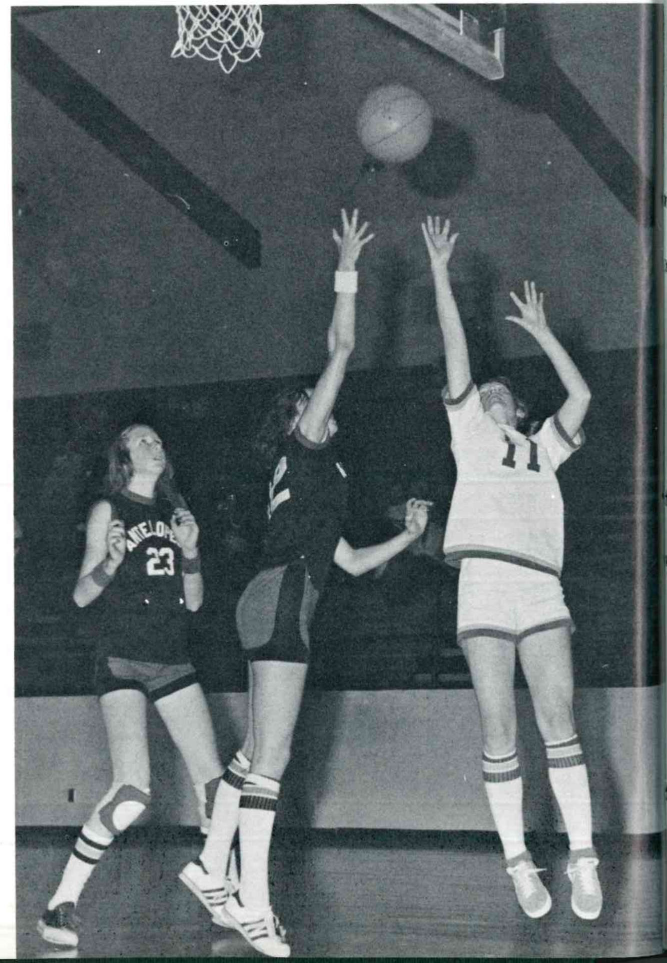
Bas • ket • ball: game played with a large, round leather ball.

After losing their first game of the year by a score of 38-37 to eventual AA State Champ Snowflake, many people felt that after winning their first state title in any sport the previous year the Joseph Cith High School Girls Basketball Team would not repeat this year as State Champions. As camp opened in November, Coach Duane Jones, who was beginning his fifth year in the program, did not have any seniors reporting and only two starters from last year's 23-1 squad. But the team showed a tremendous amount of determination, desire and dedication as the Fighting Wildcattes were only to lose three times through the course of the season. Two of these losses came at the hands of a very talented Snowflake team, and the other loss was to an undefeated Mayer Wildcat team. Jo City later revenged this loss by whipping Mayer on their own floor. During the course of the season the Fighting Wildcattes played most of the AA, A, and B powers in the North. This was evident as Jo City (who came in second behind Snowflake) was the only Class C school at their own invitational Tourney. This tournament is, perhaps, the strongest invitational tournament in the state.



During the regular season Joseph City ran up a 19-3 record. At the Class C North District Tourney, Jo City earned a bye in first round play as they were Class C North Conference Champs for the 5th consecutive year. In the semifinals against Salome the Fighting Wildcattes really showed their strength as they beat Salome 61-20. In the finals Jo City came up against McNary for the third time this year. Beaten twice before the McNary Green Devils again lost to the Fighting Wildcattes by the score of 49-29. This was the 4th consecutive Class C North District Championship for Coach Duane Jones' Squad.

The Next week in Tempe at the Arizona State Tournament the Fighting Wildcattes were matched against St. David came into the tournament with only 3 losses. Jo City jumped off to a early lead and were never in any trouble as the Wildcattes put away St. David 54-30. This put the surging Wildcattes against McNary for the State Crown. McNary had beaten Patagonia to earn the right to play in the championship game. Jo City again lead at all quarter stops and beat McNary for the fourth time of the season. Coach Duane Jones and the Fighting Wildcattes from Joseph City had won their second consecutive state championship and ended the season with a fine 23-3 record. Sophomores--Sandy Baird and Susan Shelley; Juniors--LuAnne Foree and Kari Miller made various all-tournament teams throughout the season while Sandy and Kari made All-State.

Homecoming 1976 was an exciting week. Activities served to build the enthusiasm of everyone involved. Posters by the various students displayed to the community the nature of the festivities at Joseph City High School. Greg McWhorter won for the Seniors the honor of the outstanding poster. Noontime activities captured everyone's interest in a Banana Eating Contest, Tug-of-war, and a Car Cram as the four classes competed for Superiority. Nella Larson represented the Freshman, defeating her upper class competition, by downing a whole banana in one gulp, the Tug-of-war again was taken by the Freshman, the Car Cram was no different, stuffing 19 small bodies into one small car. The Freshman were only out done in the Banana Eating Contest by Petite Denise Adams showing that size is no obsticle when it comes to eating. Friday night the bonfire on the hill hosted the tradition homecoming pep rally. Joseph City High School teams met their opponents on the Volleyball court and football field. Half time ceremonies crowned Kelly Baird and Irene Yarrison homecoming King and Queen.

1976 Homecoming became history following the Homecoming dance.

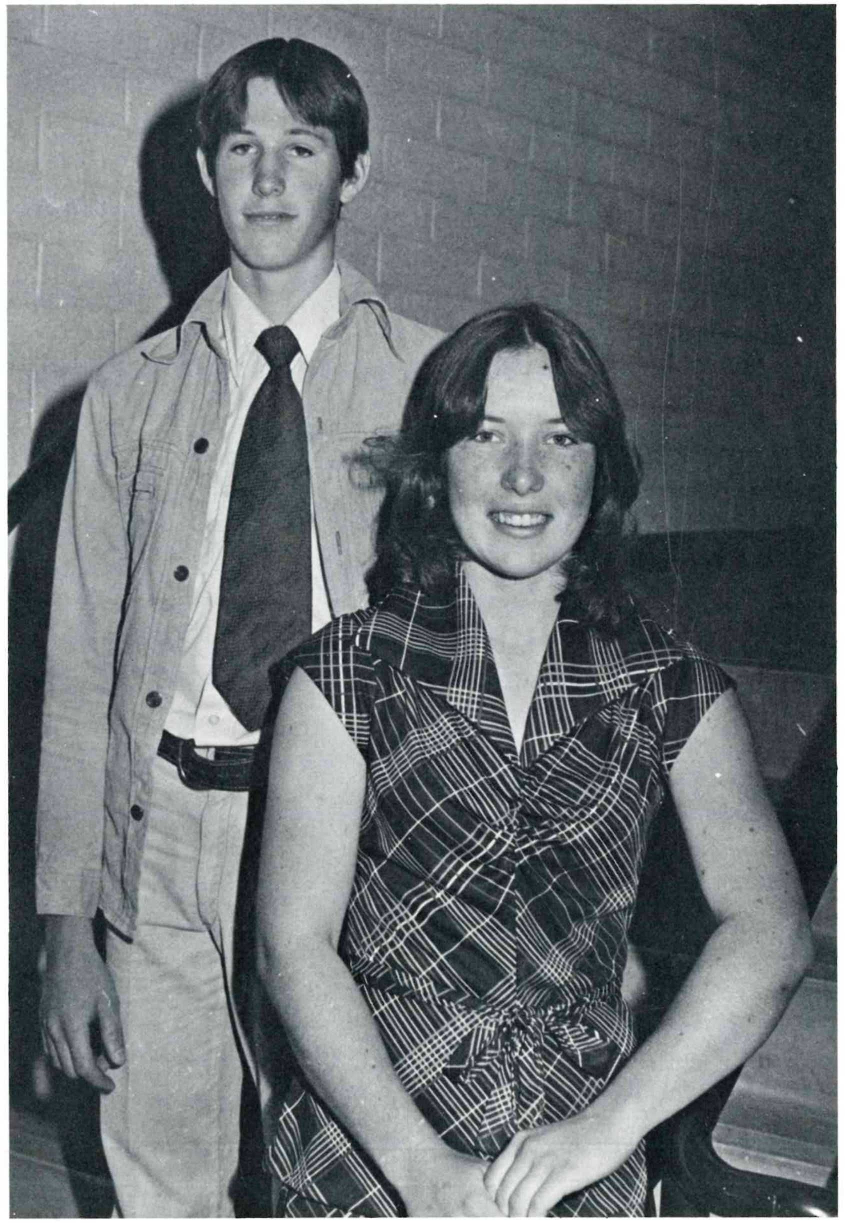
TRAGYC
Arizona Model United Nations

TRAGYC representatives attend a state wide convention dedicated to developing better and safer driving and safety habits for our youth. This year's TRAGYC representatives were Danny O'Connell, Debbie McWhorter, and Tracy Cluff. The car they are traveling in is a 1911 Hudson and was at one time owned by W.C. Fields. The car can be seen in several movies including its latest, "Excuse My Dust" starring Red Skeleton.

Arizona Model United Nationas. This annual event was attended by Joseph City High School students for the first time this year. The main purposes of the Model UN are to develop an understanding of other people and customs and to learn the methods of parliamentary procedure. Students also learn of the workings of the United Nations. The delegates were all fearful of what to expect not knowing whether they wanted to go even after they arrived. The trip home however was spent in part planning for next year. Our school represented Luxembourg this year. Do you know where Luxembourg is? Delegates were Kevin Trotter, Liz Jordon, Anna Smith, and Terrie Rogers.

LUXEMBOURG

Boys and Girls State



Chosen to represent Joseph City High School this year at Boys' and Girls' State were Nolan Baldwin and Yvonne Shelley. Boys' and Girls' State is dedicated to teaching young people to better understand our state and local governments. Along with this, they learn about the principles of parliamentary procedures and debate. Packed in with all of this learning is one week of a lot of fun.

Class of 1977

Commencement Exercises for the graduating class of 1977 were held on the evening of May 27, 1977. The class was favored by the attendance of Mrs. Carolyn Warner, the State Superintendent of Public Instruction. Mrs. Warner as guest speaker encouraged the graduates to better things in the future. Representing the graduates, Donna Baldry as Valedictorian and Anna Smith gave inspirational speeches. The world will accept our graduates ready or not. Joseph City High School expects big things from these fine young people. Receiving diplomas in the Class of 1977 were:

Kelly Baird

Graduation: an award of an academic degree or diploma.

Graduation from the eighth grade marks the termination of elementary education and opens the doors to more and broader education. Hopefully, all of our graduates will take advantage of the opportunities that lay ahead of them. At this point in time a person's education becomes more of their own responsibility. Education now broadens. Its purpose provides general knowledge that will be appropriate for a fulfilling life beyond the school house doors. It will not be easy but we encourage you graduates to make the most of the four years that lie ahead.

ABOVE: The eighth grade music ensemble plays for the graduation program.

ABOVE LEFT: Ross Hansen speaks to the graduates about the marvelous creature the human is.

LEFT: Joyce Bushman, honored as the valedictorian, speaks for her class.

Dedication

In Honor of Mr. Craig Darrington,
A Person who is very special to the
Students of Joseph City High School.
Someone who can be described as A
Teacher, A Coach, A Friend. We
Dedicate this Production.

When the halls echo the last melancholy voices of the May graduates, the Joseph City High School underclassmen return in August to once again sustain the traditional school spirit. Theirs is a difficult task, for it is their duty to provide the school with the unity that is the Joseph City heritage: a heritage that is a part of every student and teacher, and one that implants into every heart the spirit of pride and sportsmanship which go hand in hand with learning.

At this time I would like to thank the Students of Joseph City High School, Mr. Biggs, The Annual Staff Members, and my parents. Without them this production would not have been possible.
